This year I will have been married fifteen years to the same guy.

He's a wonderful man – that is if we ever have sex again. It's not

that we don't have sex, but it's so quick, or he falls asleep or whatever, anymore. In some ways it actually turned out to be a good thing.

I've gotten to know my body really well. I found that my hands are a wonderful sex toy –

Elise

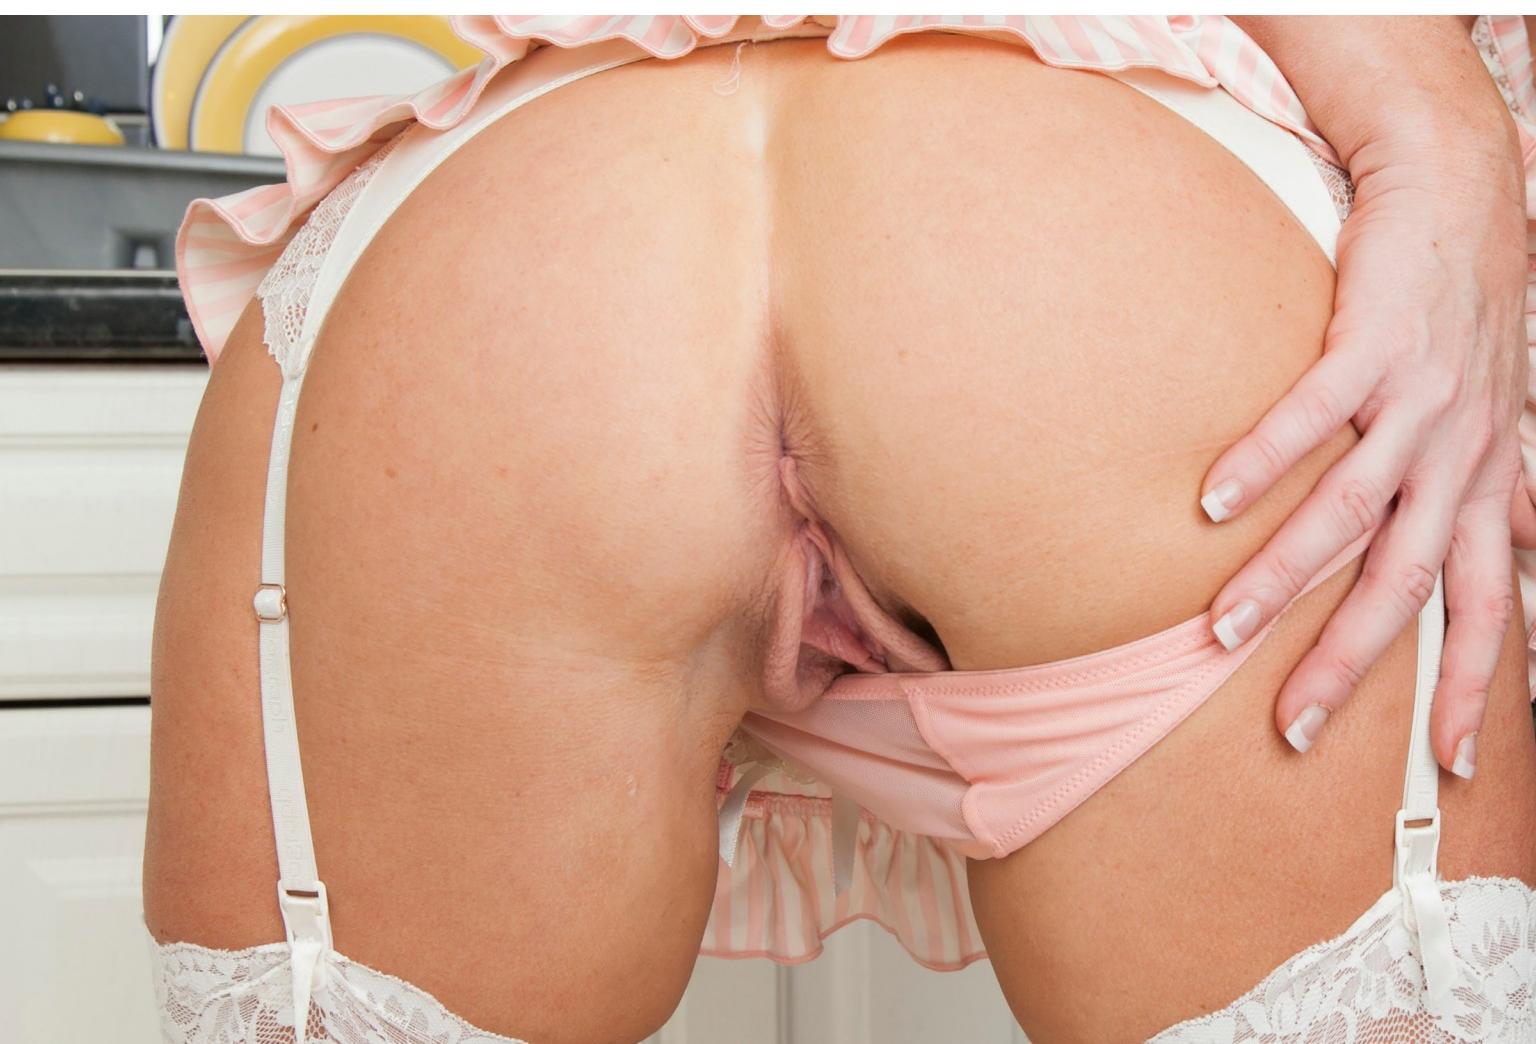

that is, when I'm not using a real sex toy. What I like best is that I don't need him around when the mood strikes me, and it strikes me pretty often.

I just got remarried just a few months ago and I'm already lonely. My new husband travels a lot for weeks at a time and I get very lonely very quickly. Fortunately for me, his best friend, Jeremy is always there to make me feel better. At first I resist his advances,

Rosalyn

but I finally gave into him on my fiftieth birthday, and then a few months later I was married. I sure hope that hubby does not see these pictures!

BOFFIN' THE PROF

We've all heard of girls who fuck their professors to get good grades. I think that's disgusting. I fuck Professor A. because the first day of class I saw the front of his pants bulge, and I couldn't quit thinking about his cock. I fuck Professor A. because I thought about his cock so much that I used to leave a wet spot on the seat in the lecture hall. I fuck Professor A. because what happened in his bedroom last Thursday night (his wife's on a bowling team) is typical of the great fucking this cool old guy (he's 43—imagine that!—fucking a guy 25 years older than you are!) gives me.

His cock was rock-hard, even though he's older than my parents. He was so excited that the knob of his cock was purple. It was swollen so fat that I could hardly get my mouth around it.

Professor A. (I guess I can call him Dan) played with my tits while I slid my mouth down that warm, throbbing, sexy cock. My tits may not be all that huge, but they're really firm, and the nipples stand up like cherry pits when I'm excited. I was definitely excited as I felt Dan's hair against my lips and that huge cock-knob nestling in the back of my throat. He

Tanya's Tops:

Now that's one unbelievable woman. What a fucking body and sexuality to match. I can't get her out of my mind. I have to take the magazine into bed with me every night now. I jerk it to her pictures, especially the ones where she's getting it doggy style. I would not only do that to her, but I'd slip my cock into her ass, too. Then she could blow my rod until I came all over her great boobies. I also dug the layout of Sharano. What a slut she was in the photos. The fake boobs did not hide that, and the dark eyeliner accentuated it. But I have to admit that she took that big cock in her ass like the sexual animal she probably is. I like the shot where the guy sticks his finger in her butt hole before he fucks her there. I would do that to her too, but I'd stick my hard cock deeper than him into her butthole.

—Duncan, Detroit

pinched my nipples, and it felt so good in my pussy that you'd have thought he was licking my clit.

I tickled and jiggled his balls while I sucked his cock, and he made this low moaning sound that got my pussy red-hot. The underside of his hard-on is really round, and when I rubbed my tongue firmly on that curved slab of firm warm cockmeat, he whimpered like a puppy.

One of the reasons Dan's such a great fucker is that he doesn't do the same thing, or just one thing, over and over. I sucked his cock and he was loving it, but that wasn't the whole session. After a few minutes, he laid me back on the bed and got between my legs and ate my pussy. You go ahead and imagine what it's like to have your professor rooting between your legs, slurping your pussy, and licking your clit. He stuck three fingers into my hole and stirred up my pussy while he licked my clit till I was thrashing around on the bed like a fish or something. I just about came from how he ate my pussy.

He never missed a beat. He just kissed his way up my naked body, and when his mouth got to my mouth, he jammed his big, hard cock into my pussy and started fucking like a fuck-machine. His face was

all smeared with my cunt-juice, and that was sexy as hell, too.

His big cock pumped in and out of my pussy, and it felt so good I couldn't help moaning and squealing. Every time he slammed that big horse-cock of his into my pussy, his balls banged against my ass. Every stroke bumped my clit. My whole body was on fire, and every minute he fucked me got better and better.

All of a sudden, he pulled that huge cockhead out of me and manhandled me over onto my hands and knees. Instantly, he was back in my pussy with his thick cock, reaming me doggy-style, grunting and gasping as he fucked away. He grabbed my tits while he fucked me from behind. His hands on my tits sent hot thrills to my pussy. I was on fire. I've never been so excited in my life. My pussy was so wet that every time his cock moved inside me, it slurped loudly. Talk about sexy noises! You could have sold tickets to hear me moaning, him gasping, and his cock and my pussy slurping away.

He fucked me doggy-style for a long time. I was close to coming again when he yanked out his cock and lay on his back to let me ride him. First, he had me face his feet. God, did his cock feel big going in at that angle! I rode him carefully, easing my hips up and down. I could hardly breathe, his cock was rubbing such hot nerves.

When Dan suddenly shoved his finger into my asshole while I was riding

up and down on his cock, I exploded. My orgasm hit me so suddenly that I shot off his cock and up into the air. He kept his finger in my ass while I grabbed my clit and rubbed myself. Soon waves of burning ecstasy sizzled through me.

It was a great orgasm, quick and hard and intense. But coming off his cock left my pussy wanting more. I straddled him again and lowered my pussy onto his cock. His face took on that sweet look that he gets when he's deep in my wet, tight young pussy. It must feel good for an old guy like that to be fucking a girl who's still technically a teenager!

I ground myself against Dan, giving my clit incredible sensations, feeling his thick cock dive deep, deep in my pussy. He grabbed my tits again, and the thrills that shot through me were like coming. He fucked up at me, bouncing me, making the pressure on my clit so intense and fantastic that

for an instant I was afraid I was going to black out from the ecstasy.

Then I was coming, every part of my body burning as a deep, stunning orgasm blasted me to the edge of unconsciousness. Dan gasped, and his cock exploded in the depths of my slick pussy. His hard-on twitched like a machine gun as he hosed gob after gob of hot cum into my spasming pussy. His face was twisted by the power of his orgasm, and seeing and hearing and feeling him come made me come even harder.

I'll admit that I only got a B in Professor A.'s class. But I know damn well he gives me an "A" when it comes to fucking him till he can't stand up!

Laura, California

TAKE A BREATHER

My name is Carole and I'm married to a great guy named Chris. Ever since he told me that he fantasizes about me and my mouth at

the office, I've done my best to make his fantasies cum true when he gets home. I am a bit of a wild one and I love to suck cock, so he's a lucky guy and I keep telling him that. It's a big turn on for me, too, and it puts me in the mood to get even wilder. My absolute favorite position for fellatio is with him standing and me kneeling down.

After I start sucking, he'll lift a leg and put it on the arm of a chair or the bed and so that he is opened up that area. Now I have access to all his good parts that will soon get my attention. I continue by licking his thighs and make him anticipate what's going to happen. I slowly spread his legs and start licking his balls and roll them all around in my mouth and probe them with my tongue while they are both in my mouth. For you gals, I had to practice this since putting two hairy balls in your mouth can be a bit of a turn off. So, he shaves them clean or I do it for him. That's also a big turn on for the both of us.

Chris has been reading over my shoulder and it seems he's getting excited again because he's now pulled out his cock and wants me to play with it. "I can't right now, I'm typing. Don't you want me to finish this?" I ask as he rubs my shoulders.

Hold on dear reader,
I need to take a break
for a few...

Okay, so where were we? I stroke his penis as

I still have his balls in my mouth. Nothing too hard or fast because I don't want him to cum just yet. There's a whole lot more to go.

After warming them up, I back off and suck his cock head for a minute and then I'll suck one of his balls back into my mouth and swirl my tongue around it and then I'll set my attentions on the other one. He says it's like having soft, warm fingers playing with them. I lick all around his balls, the base of his cock and that sensitive area behind them. With his leg up, it's easy to reach and he loves it.

By now, he's really excited and his cock is rock hard and he's begging me to take him fully into my mouth. I start going upward, licking his shaft as if it were a popsicle. At the head, I circle it a few times with my lips and wiggle my tongue into its little slit all the while making eye contact. Then I take him into my mouth as far as I can. With all the practice I get, I can deep throat him easily and not gag. Earlier on, I would gag but learned to relax my throat muscles and not I can take it all the way down to the base.

While he's not huge, about seven inches (yes, we measured), he is thick. He likes it when I squeeze the base of his cock and it seems to make him even harder. It turns him on even more when I moan, make slurping sounds, and make eye contact as I do this. With my free hand I'll fondle his balls at the same time, or play with his asshole. This is something he

eventually let me do, thinking it was too gay at the start, but then realized how good it felt.

During the sucking, I make swirling motions on the underside of his shaft. He likes it when I do all different types of swirls and pinches and nips to every part of his cock and balls. We play this little game if he can figure out the letter or number I'm making with my tongue or fingers on his cock.

He's right less than half the time and makes me repeat some over and over again (I think he likes the way those letters feel). Sometimes, I'll hum as I have him in my mouth and sometimes I'll talk dirty and tell him what I'm going to do to him.

Now for the good part, as if all that wasn't good enough. I put his foot down so both are on the ground. If I can tolerate kneeling

some more, I'll stay there, if not I'll sit on the edge of something. Either way I take his butt cheeks in each hand and pull him to me. His cock in my mouth, I can take it all and deep. It's a good position for him, too as he can thrust it into me. But the best of all is I have better access to his anus. As I'm sucking him, I'll sneak a finger or two into my mouth to lube it up and then back to his butt. I play around the outside of his butthole, just breaking into it gently a time or two or twenty, whatever it takes.

When I feel that it's loosened up, I'll push a finger in and gently twirl it around and in and out. I'm still working his cock with my mouth and other hand and slip it down to his balls now and then. Now is the time I fall back on the bed, pulling him down with me, cock still in my mouth and

he begins to fuck my mouth much harder.

Now it's his turn to do the work. I hold my one hand around his cock to keep him from smashing my nose and lips, and work his buttonhole more and more. We've gotten to the point where he can take two fingers in it and he loves it.

He'll start moaning harder and louder and I can tell he's about to cum. We have an understanding that he'll tell me just before he cums where he wants to do it. Sometimes it will be on my chest, my neck, my face, and sometimes he wants me to swallow it.

This is something that took a little getting use to but only after a time or two. Because we were doing so much of it, I got used to the taste and it actually isn't bad. Sometimes I'll slurp it up, or I'll squeeze it back out of my mouth so it drips down my chin and, his favorite, I'll hold his hips hard into me with his cock as far down my throat as it will go and it squirts straight down my throat. Yummmmmmy.

Then, I'll hold his cock in my mouth and lick it all clean as he watches me get every last drop. Sex is a very visual act for us.

When I walked out on my last boyfriend within the first year. That really made me gun-shy about getting into another full time relationship with another guy. Now I can just fool around with anyone at hand whenever I want.

I should have known that football players were that way. They don't have a loyal bone in their body. Only boners. Now it's my time to let loose on another boner.

I may look like your sweet grandma, but I'm real adventurous and kind of kinky, too.

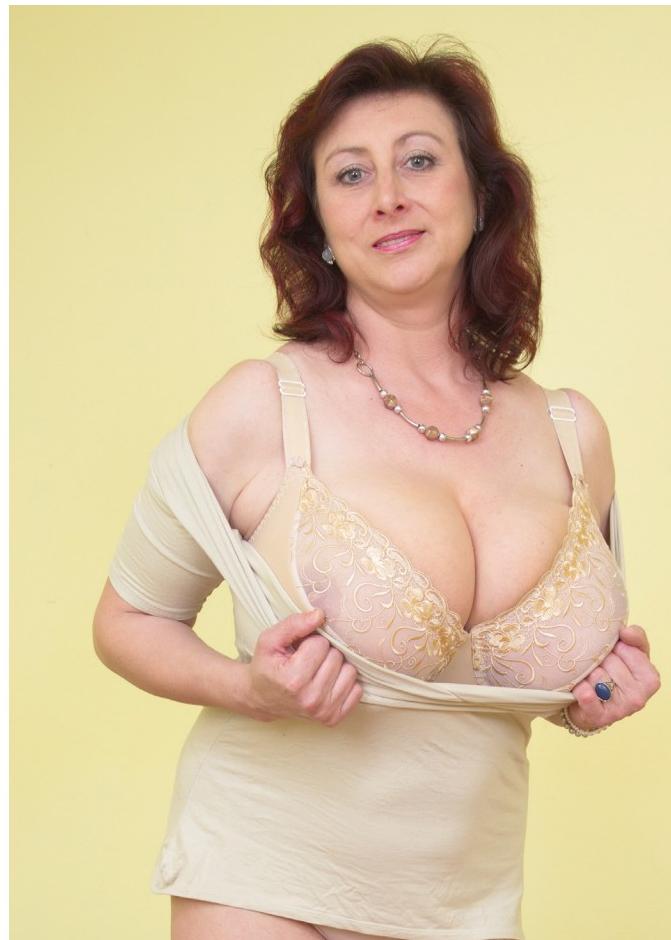

Sex has always been an adventure for me from my first experience to my last.

I'm the type of lady who's all in or all out. Today, what's going in and out is a huge fleshy toy that I

Jane

have come to cherish as much as a huge hard cock. But what it can't do that I can, is playing with my huge, beautiful, and overly sensitive, boobs.

*let's believe you're
fucking my boobs*

A groom waits at the altar with a huge smile on his face just having had the best blow job he ever had in his entire life, and he was marrying the wonderful woman who gave it to him.

His bride waits at the other end of the aisle with a huge smile on her face when her maid of honor asks why she looks so excited. The bride replies, "I just gave the last blow job of my entire life."

The sauna wasn't all that was hot when the bride-to-be joined Gene...

steam heat

I KNEW MY YEARS OF TEACHING EXPERIENCE WOULD COME IN HANDY, BUT I NEVER FIGURED ON THIS.

Last night, we finally arrived at the resort for my neighbor's daughter's wedding. It was a three day drive, but we stopped along the way to take in the sights, visit some old friends and try new foods along the way. The wedding was still another three days away so I decided to take in some of the resorts amenities. It was plenty hot and steamy in the sauna before she arrived, but she still managed to crank the temperature up an extra degree or two. She was wearing nothing but a towel around her youthful body, and she apologized for barging in when she saw me in there all alone.

"I'm sorry," she said. "You don't mind me joining you, do you? I'm getting married tomorrow, and I want to shed a few pounds."

I looked her up and down and thought that shedding pounds was the last thing she needed. I couldn't really believe that she was old enough to marry, since her waist was so thin and her tits were so small. She had a little bit of cleavage poking out above the towel, but it was a schoolgirl's cleavage, not a grown woman's.

"I could use the company," I told her, as she turned and shut the door.

The steam was already making me sweat, but even if it hadn't been, her body would have done it. She sat down opposite me, and I watched her towel

ride right up her thighs until I could see everything. Her legs moved slightly apart, and I could see that her pubes had been shaved off. As beads of sweat started to form around her pussy-lips, I began to imagine her lathering her pussy up with soapy lotion and dragging the razor blade across her skin. Slowly, she'd shave it nice and smooth, getting it ready for an ultra-sensitive fucking.

We sat there in silence for a moment, with me trying not to stare at her pussy. In the steamy atmosphere, she didn't seem to be aware that her private parts were visible, so she made no attempt to adjust her towel.

"Are you looking forward to the wedding?" I asked, breaking the silence.

"Oh, you know," she said, smiling at me, "I'm a little nervous about the ceremony, and I guess I'm also nervous about the wedding night."

She stared at the floor for a moment and then looked up at me with an expression of

total innocence. "I don't really know what to do," she said, "and I'm afraid of looking dumb in front of my fiancé. I'm sure he's slept around a bit, but I'm still a virgin."

As she spoke, the whole situation began to feel less and less like a confession of innocence and more and more like a seduction. She leaned forward

She sat still in my lap for a while, obviously enjoying the sensation of having a dick inside her for the first time. I could feel the walls of her pussy hugging my shaft...

and let the towel fall off her left shoulder, so that I could see her left tit. Perspiration had gathered on the small, pert mound, and the nipple was clearly erect. She parted her legs a bit farther, then looked up at me with wide, girlish eyes. She seemed to be begging me to teach her a lesson in love.

Was I being teased? She stuck her thumb in her mouth and shook her head until her long blonde hair fell around her shoulders. "If only I had a nice older fellow to show me how to do it," she mused.

I was about to go over to her, but she was much too fast for me. She stood up and let her towel drop to the floor. I watched, speechless, as she moved toward me and climbed right into my lap.

Her body felt incredible. She might have been old enough to marry, but to me she felt like a teenage beauty queen, with her narrow thighs and her shaved pussy. She straddled my lap and pushed her tits into my face. With the steam moistening and softening them, it felt like heaven to lick at those gorgeous tits and to bite her juicy nipples.

As I sucked on her mounds and tugged on her nips, she began to moan with pleasure and squirm around in my lap. It might have been the steamy sauna, or it might have been the moisture from her pussy, but something was making my thighs wet. I placed my hand on her pussy-lips and began to finger her clit. I knew right away that she was feeling hot. The sauna might have been helping to make her pussy moist, but only pussy-juice could make it as sticky and smelly as that. I brushed my hand all around her ori-

fice, then held it up to her lips and watched her lick her own juices off my fingers.

She was ready for action now. She pulled my towel from around my waist, letting my dick come springing out. Just from seeing her shaved pussy, I'd gotten erect, and my full 10 inches were already up and waiting for her.

I placed my hands on her slim behind and gave her buns a little squeeze. She lifted her butt into the air and then slowly lowered her pussy onto my shaft.

The steam in the sauna was all the lubricant her virgin pussy needed to eat up my dick. From the way she'd been behaving, I'd begun to doubt that she really was a virgin, but when I felt the tightness of her hole around my shaft, it became obvious that I was taking her cherry. Her face contorted with pain as she took more and more of my length. Eventually, she got the full 10 inches inside her.

She sat still in my lap for a while, obviously enjoying the sensation of having a dick inside her for the first time. I could feel the walls of her pussy hugging my shaft, but she seemed unsure about what to do next. I started to thrust gently at her hole to give her some ideas. Her pussy reacted by tightening even more. It didn't seem to know if it wanted me inside it, but it was gripping me so tightly it wouldn't let me withdraw either.

I started to kiss the girl gently on the lips, then gradually pressed my tongue into her mouth. My kisses obviously made her feel horny, because her pussy began to oil up, and soon it was wet enough for me to start pumping her hole.

Her look of pained doubt gave way to one of ecstatic pleasure. I saw her break into a smile and heard her groan with lust as she started to bounce up and down in my lap. Soon she was doing all the hard work. I just gripped her butt-cheeks and leaned forward to suck on her tits while she wiggled her hips back and forth, driving my dick into her young pussy.

The sensations rippling through my shaft were something else. I hadn't fucked a hole that small in years, and it made me feel young again just watching her go at it. Soon her pussy began to spasm around my dick as the first tremors of orgasm began to swell her clit and tighten her hole. My 10 inches were satisfying her so deeply that the orgasm seemed to spread right through her entire body.

Soon she started to scream, fucking me at triple speed. Her thighs were bouncing up and down and

BLAIR-NTS-10

I was proud of the way I'd introduced her to the pleasures of sex, when to my amazement, this virgin almost-bride suddenly decided that she wanted a little more of my dick.

slapping against my lap, while her pussy repeatedly spat out and then again swallowed my shaft. I could hear the slurping noises as my helmet continually penetrated her entrance. Her juices were soaking my shaft and making it reek of teen pussy.

She swung her hips back, ready to swallow my dick with a final forward thrust, but I slammed home first. My balls seized up in my tight sac, and I blasted her pink pussy with a gallon of spunk.

She yelled as my shaft filled her hole with solid flesh and thick cum. Her fingernails dug into my back, and her thighs squeezed my legs as her pussy achieved lift-off. Her whole body was shaking, and with another thrust of my 10-inch shaft, her cherry was well and truly taken forever.

She came like a fucking express train. The way her pussy leaked out its juices told me that she'd never felt anything like it before. Her pussy couldn't stop throbbing, and the tight muscles inside refused to let me go. I knew that I'd given her the fuck of a lifetime. The poor girl was young and soft, but the dirty way her hairless pussy had pushed against my pubic hair had made me fuck like a demon until my balls were drained dry. I was proud of the way I'd introduced her to the pleasures of sex, and I was about to wind things down by gently kissing her shoulders when, to my amazement, this virgin almost-bride suddenly decided that she wanted a little more of my dick.

My dick was tired from the fuck, but the way her tongue tickled my nuts soon had it hard again. As her lips kissed my balls, I could feel her blonde hair against my thighs. Her tits were pushing against my legs, and I could see that her hand was slowly finger-fucking her clit as she got off on the taste of me.

It didn't take long before my tired five inches was back to an excited 10 inches. Her lips had gradually opened wider until she was munching on both of my balls at once. Once I was fully erect, she began to lick her way up my shaft.

Her lips proved every bit as dick-hungry as her pussy. She licked and kissed my shaft, and then I felt her mouth surrounding my helmet. Her tongue darted across my piss-hole for a moment before her lips went sliding halfway down my dick.

She might have had small tits and a small hole, but her throat seemed to go on forever. It felt as though my entire dick was being swallowed as she hungrily chewed my shaft. Her teeth were caressing my skin,

and her tongue was playing with my helmet as her head rocked in my lap.

I stroked her long, blonde hair and just sat back and enjoyed the ride. I could smell my perspiration mixing with the scent of her juices, and the combined perfume drove me almost insane. Her fingers were still busy poking away at her clit, and, as the pleasure pushed her closer to orgasm, her lips began to suck harder on my shaft. Soon her mouth was shooting

up and down my shaft, and I could hear her ecstatic moans as she tried to avoid gagging on my length.

Her finger disappeared up her pussy as she readied herself to come. She fingerfucked herself only a few times before the juices came pouring out. The orgasm rocked her entire body so hard that I don't know how she managed to keep my dick inside her mouth. Still, she did, right up to the point where my helmet spurted its juices right down her throat.

She swallowed my cum, then sucked on my helmet until every last drop had disappeared between her lips. It was like she just couldn't get enough of my dick and my cum.

"Your fiancé's one very lucky man," I told her as she gave my helmet one last suck.

"And that's all thanks to you," she said. "You've taught me everything I know."

The way she smiled as she said it left me not so sure that I had. Maybe I was the one who got taught a lesson that day. Still, who's counting?

This pictorial was not supposed to happen. When Dwayne came over all he wanted was to ask if I had any sports drinks. We were just sitting talking when he suddenly gets up and plants a big kiss on me. I have to admit I liked it and within minutes we were naked and licking each other.

Dana

He drops his pants and there, staring me in the face, is a huge hardon and I start sucking on it. See what a request for a sports drink may lead to?

HUJ3 3PK C-RING TAR MULTI

HUJ3 c-ring is our take on a basic ring most guys will want to use and use often. This 3-pack is the best option for customers who use c-rings often. Our history has shown this size fits many men multiple ways, often more than one at a time. HUJ ring is a c-ring and a ball-ring, some guy's stack them for more stretch or for more grip. Designed with flatter inner opening, this keeps the ring from rolling so it won't snag or pinch.
